

# FLOOR RACKS

### DS SERIES FLOOR RACKS

These floor racks bring function and flexibility to situations requiring high capacity garment storage.

Offered in single and double faced versions, in hook and hanger styles and in lengths of 3, 4 or 5 feet, they are the perfect solution to a wide variety of public area coat storage applications.

Hanger style features 1" diameter chrome rod that accepts open hook, closed loop, ball or T-top hangers with receptacles (sold separately). Hook style includes charcoal gray K73 vinyl coated steel triple prong hooks. Racks available in powder coated steel finishes of Medium Gray, Sandstone and Black.
