MTS Burgess® Como Series PC27/2

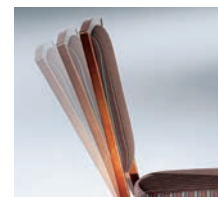

COMO BANQUET SERIES

Taking elegance to heart

The MTS Como banquet chair, part of the MTS Burgess® Collection, is a study in sophistication and stamina. The Como comes standard with a specially designed contoured back and lower lumbar comfort system for premium comfort. Made from a proprietary aviation-quality aluminum alloy that delivers superior elasticity and high tensile strength resulting in frames that are lightweight and easy to handle. These chairs are only available through MTS and the Burgess Furniture Company.

Optional corner details in gold, chrome, mahogany, chestnut and dark walnut (models PC 27/2 and PC 27/6), or any of our powdercoat finishes.

Also available in a COMFORTflex® version for even greater comfort.

COMO BANQUET SERIES

Luxury comes in many forms

Como banquet chairs make a luxurious addition to any environment. Available in a variety of styles and with a number of finish, fabric and detail options, Como is equally comfortable at a casual celebration or a black tie affair. Whatever the event – wherever the locale – Como's elegance, durability and comfort are always in style.

MTS Burgess® Como Series PC27/4

COMO BANQUET SERIES

An obsession with detail

The perfect addition to the most handsome banquet table, the MTS Burgess® Como is available with either an elegant reeded profile for a subtle touch of elegance, or with a sleek smooth profile for contemporary sophistication. Available in both arm chair and side chair models, it can be upholstered in an infinite choice of fabrics. The Como stacks 10-high and features our exclusive COMFORTweb® seating system for unbeatable comfort. Backed by our 12-year warranty, it's an ideal marriage of design and durability.

MTS Burgess® Como Series PC27/8 CR

COMO BANQUET SERIES

Make yourself comfortable

With our standard COMFORTweb® seating system and contoured back, Como banquet chairs speak loudly to comfort. And, for even more seating comfort, our optional COMFORTflex® seat and back system is available. Just a few of the reasons the light-weight, hard-working Como earns a standing ovation for seating performance.

Como Features & Options

Optional Brushed Aluminum Frame Finishes

Available in a number of wood-like and brushed metallic finishes from the MTS Burgess® Collection, as well as most of our powdercoat finishes. (Does not include Velvetouch® colors.)

Corner Details

Optional corner details in gold, chrome, mahogany, chestnut and dark walnut (models PC 27/2 and PC 27/6), or any of our powdercoat finishes.

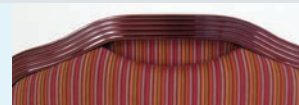

Optional Handhold

Optional Handhold for Como Back styles /2, /6, /9 and /11
Specify HH.

Optional Hidden Handhold

Optional Hidden Handhold (back view)
Specify HHH.

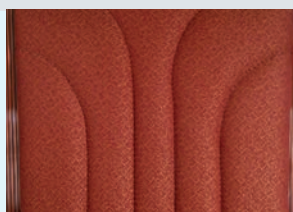

Optional Hidden Handhold (front view)

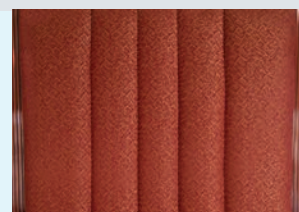

Optional Fan Channel Back

Even the finest upholstered chairs deserve an upgrade from time-to-time. And this Fan Channel Back option is a great place to start. It's truly made to order.
Specify CHI.

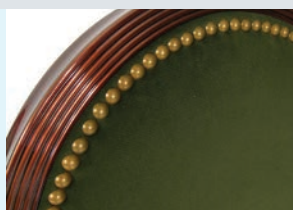

Optional Straight Channel Back

The sleek lines and smooth surface of the Channel Back upgrade from MTS make it a highly desirable option for any banquet, convention, or hospitality seating application.
Specify SCI.

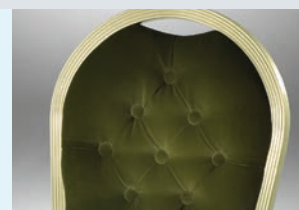

Optional Nail Trim

Optional Handhold for Como Back styles /2, /6, /9 and /11
Specify BNI.

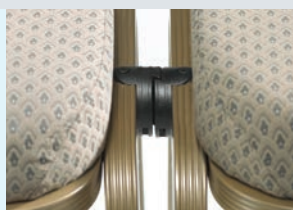

Optional Button-Tufted Inside Back

Como chairs are available with the upgrade option of a Button-Tufted back for the ideal mix of Victorian-era style and contemporary elegance. Upholstered buttons only.

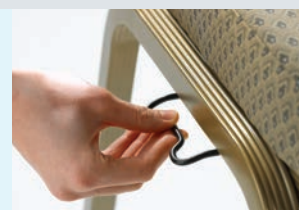

Interlocking Ganger

Como side chairs use a strong, plastic interlocking device that keeps chairs straight, even during times of heavy use.

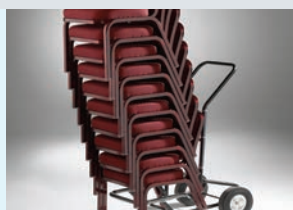

Retractable Wire Ganger

The retractable ganger slides out of sight under the seat when not in use. Held in place with a molded nylon retainer, this device is available as an option on all MTS Como stackers.

Moving and Storage

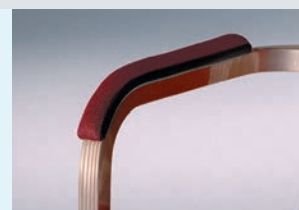

Como models stack up to 10-high. The MTS Handtruck (model 013) shown with Burgess Como models. Protective vinyl covers applied to vertical bars protect chairs during loading and unloading. The Handtruck features 10" wheels and a 3" swivel caster for increased maneuverability.

Optional Armchairs with Upholstered Armrest

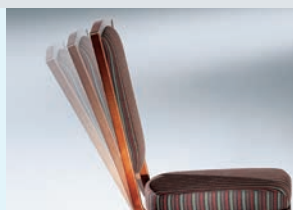

Como stack chairs are available in arm chair models. Como armrests feature a "bumper edge" to protect upholstery during stacking and handling. Specify A after model number.

NOTE: Arms not available on COMFORTflex® (CF) models.

COMFORTflex[®] Seating System

The product of innovative MTS technology, this option features a composite spring that allows the seat and back to flex interdependently for hours of comfortable support. Tested to over 1 million cycles to ensure long-lasting performance.
N/A on Arm Chairs. Patent #6,820,934.

Industry's Best Warranty

Backed by a 12-year structural frame warranty, all Como models from MTS represent the beginning, middle, and end of the story in hospitality seating. It's value we're proud to stand behind.

Sit Green.

It's not just a seat. It's a style.

To see the entire line of MTS Seating products, visit www.mtsseating.com.

MTS Seating is sensitive to the impact of our manufacturing on the world around us. That's why we developed and adopted the SynerGreen® philosophy to make continuous environmental improvements in our processes and products, while practicing sound business principles to focus on satisfying customer needs.

As a result, MTS is proud to be the first hospitality banquet seating manufacturer to earn the GREENGUARD® Indoor Air Quality Certification on all of our lines of seating products.

Visit our website at www.mtsseating.com to find out more about our SynerGreen program and for the big picture in seating solutions for every setting. Discover the engineering, quality and ergonomics today's hospitality industry demands, and the design impact to make a lasting statement. There's always something new at MTS.
