TransFold™

**GAS
SPRING
LIFT**

**15 Year
Limited
Warranty**

TransFold™ is ready to go wherever your choir performs. Built-in wheels make it easy to roll the TransFold™ unit from the classroom to the auditorium or up stairways and on to a bus or van. Upon arrival at the performance venue your TransFold™ risers set up in seconds so that they will be ready when you are. Midwest's exclusive, gas-spring assisted design allows the unit to open with moderate foot pressure, taking the strain out of set up. This also insures a safe, controlled motion when folding the unit for transportation and storage.

Fast, Easy Set-up
