## CAFETERIA FURNITURE WALL POCKET SYSTEM

**15 Year  
 Limited  
 Warranty**

The several types of Wall Pocket Systems are ideal to quickly and safely free up cafeteria spaces for other activities. The wall pockets are designed for either AGAINST WALL or RECESSED installation inside opening in the wall. If needed, tables and benches can be unlocked and separated from the wall pocket for other uses.

The single depth pocket stores one table and one pair benches.  
 The double depth pocket stores two tables and two pairs benches

### Standard Features

- Lift Assist System utilizes compression springs for smooth, controlled and easy operations
- Multiple locking systems include primary and intermediate Track-Locks, Pocket Z-Lock automatically captures and align table and bench, keyed Mullion Lock secures table and benches in the stored position and adjustable Down Latch secures table and benches in the down position

Lift Assist System
